Winter Fundraising Pack

Every festive party, every festive sock day
& every pound you raise can make a
difference to your local NHS charity

Thank you for supporting your local NHS charity this winter!

This winter is going to be one of the hardest yet for the NHS and now more than ever we need your help. With your support, we can make the festive season that little bit easier for patients and their families who need our care, whilst helping us to support and recognise the amazing staff who will be caring for them.

Your support can still help us brighten up the winter days, helping us ensure that no patient or staff member misses out on any of the joy and wonder of the festive season. We rely solely on your donations to be able to do this.

On behalf of **Calderdale and Huddersfield NHS Charity**, our colleagues, patients and their families thank you for helping make a difference this winter.

Health and Safety and the legal stuff

However you choose to host your event, please ensure to follow the latest government guidance for your local area and employer (if relevant).

We all know the drill by now, but here's a few things you might want to consider if you decide to host a face-to-face event:

- Encourage Facemasks – if you're crafty, why not make some to sell to raise extra money?
- Make sure you have plenty of space for social distancing
- Have hand sanitiser available
- Ensure you provide adequate ventilation for indoor events
- Remind yourself and guests of the covid-19 symptoms and to adhere to government guidelines

We recommend setting up an online fundraising page so people can donate online and to avoid cash transactions.

For advice on providing food and labelling allergens at charity events, visit the Food Standard Agency website – go to food.gov.uk and search 'charity events'.

For guidance on raffles and lotteries, there are strict laws relating to all lotteries and raffles so please be sure that you are familiar with these and operate your auction or raffle accordingly.
